

JEFFERSON COUNTY DRAINAGE DISTRICT NO. 6
Karen J. Stewart, MBA, CTP Business Manager: Purchasing Agent

6550 Walden Rd., Beaumont, Texas 77707 Phone: 409-842-1818 Fax: 409-842-2729

IFB Number: IFB 15-011/KJS
IFB Title: Needmore Diversion Saltwater Barrier Dredging Project
IFB Due: **2:00 PM, CST, Thursday, September 10, 2015**
Addendum No.: 1
Issued (Date): September 4, 2015

TO BIDDER: This Addendum is an integral part of the IFB package under consideration by you as a Bidder in connection with the subject matter herein identified. Jefferson County Drainage District No 6 deems all sealed bids to have been proffered in recognition and consideration of the entire IFB package – **including all addenda.** For purposes of clarification, **receipt of this present Addendum by a Bidder should be evidenced by returning it (signed) as part of the Bidder's sealed proposal.** If the Proposal has already been received by the Jefferson County Drainage District No 6 Purchasing Department, Bidder should return this addendum in a separate sealed envelope, clearly marked with the IFB Name, IFB Number, and Opening Date and Time, as stated above.

Reason for Issuance of this addendum:

Number of days to completion has been changed from 90 days to 120 days.

Box cutting of side slopes will be allowed

There is no preference on placement of discharge pipe in the spill area.

Contractor is not required to use the provided pipe with 19" flange

The question was asked, how far away are the mats from the structure. The mats cover each slope and end 130' from the structure.

Clarification: price per cubic yard, paid for allowable over-dredge above estimated base bid, will be paid at the Additive Alternate 1 price per cubic yard

Clarification: Breakwater rock which is visible above water is out of the scope of this project. However we will allow a one foot tolerance above the 3x5 rock that lie on the East and West slopes as shown on the drawings found in Appendix P and Q.

Changes to the bid form have been made to include itemized Mobilization/Demobilization cost. Please use the attached revised bid form when filling out your bid.

A map of the boring locations has been included. Please see attached.

The XYZ data from the pre-dredge survey has been included. Please see attached.

REVISED ADDENDUM #1 BID SHEET

(IFB 15-011/KJS)

NEEDMORE DIVERSION SALTWATER BARRIER DREDGING PROJECT

1. ITEM BID: Needmore Diversion Saltwater Barrier Dredging Project
 (Meeting Specifications) _____ YES _____ NO
